

**THE NEW GENERATION OF INTERACTIVE DISPLAYS**

Imagine being able to share videos, images, data, documents, catalogues with your colleagues or clients whilst sat around the same multi-touch desk surface. Imagine being able to simply throw these documents to business partners or clients on the other side of the

world through multi-touch video conferencing. Imagine being able to place your mobile phone onto a multi touch surface and upload presentations.

The future is here. This is Your Surface.

**BOARDROOM TABLE**

Available in a 40", 50" or 60" standard sizes, or manufactured to your bespoke requirements, this is the ultimate corporate multi user, multi touch surface.

The boardrooms surface is distinctive by its huge choice of standard specifications allowing a truly tailored service with the possibility of creating fresh, contemporary styles through to a more classic look.

Pass documents seamlessly between you, creating a paperless environment with endless archiving abilities, allowing access to documents at the touch of a button.

This also enables you to accurately record all the activity from the meeting for future reference.
